# CONTROL

# BE IN CONTROL OF YOUR FLEET THROUGH ACCURATE DATA

With a wealth of financial and fleet information at your fingertips, you have all the data you need to run your fleet more efficiently and cost-effectively through Shell Fleet Hub.

## SHELL FLEET HUB

- Get a full overview of your fleet's fuel consumption and operations 24/7
- Access it on-the-go to review reports, set spending limits and more

### COMPLETE CARD MANAGEMENT

- Order, cancel, and block card in easy steps
- Order multiple cards and set up card groups  
Create card restriction profiles:
- Allows you to set common restriction rules for your cards - product type, card limits, usage timing

### EFFECTIVE AND EFFICIENT MONITORING AND REPORTING

- **Comprehensive Transaction Reports**
- **Card Activity Reports**  
Helps you view recent reports including declined transactions
- **Exception Reports**  
Have visibility on unusual activities in your cards

# SECURITY

# SHELL FLEET SOLUTIONS

developed its best ever security offering  
to give you peace of mind.

## PREVENT

- Set card limits and product restrictions
- Limit spending by transaction or time period
- Set the use of cards for a particular time or location
- Block cards 24/7

## DETECT

- Real-Time Reporting
- Vigilant Forecourt Service Champions and on-site CCTVs to deter fraudulent activities

## PROTECT

POPE (Plate Number/ID, Odometer, Product, Expiry) procedure in place at our sites

# SAVINGS

# DELIVERING VALUE TO KEEP YOU MOVING FORWARD

Everything we do is designed to deliver value for you and your fleet. Our team will work with you to identify opportunities to drive efficiency and optimize total cost of ownership.

## COMPETITIVE COMMERCIAL TERMS

We ensure competitive pricing and easy-to-understand volume-based incentives.

## EFFICIENCY

From innovative fuels, our online tool to mobility services, we have all kinds of ways to enable you to operate more efficiently and cost-effectively.

**NEW**

# SECURITY AND CONTROL FEATURES

# Shell Fleet Solutions continues to innovate and provide better solutions for your fleet.

## SITE RESTRICTIONS

- Ensure more secure transactions by choosing which sites will be allowed or disallowed for your vehicles
- You will have the choice to include or exclude a group of sites or individual sites

## VELOCITIES

New types of velocities that enable you to have more flexibility depending on requirements.

- **Annual Velocity** – value or volume limit; refreshes automatically every year
- **Lifetime Velocity** – Limits do not refresh automatically; Change in card limits at any time is allowed

## FLEET ID VALIDATION

- An additional security when validating transactions
- Have an option to set up a Fleet ID to identify driver/s who use a vehicle-specific or Admin Card

## ONE-TIME USE CARD

Generate a virtual PAN (Personal Account Number) card that can be used for one transaction but can be generated multiple times.

- **Emergency Card** - In cases that the card is lost, stolen, destroyed or undelivered
- **Reward Card** - Generate multiple PAN to use as reward

## SMS ALERT

- Balance check
- Breach of restrictions and Fleet ID
